Hull

- A modular walkway system with a contemporary design. Multiple units make ideal covered walkways for retail car parks, schools and shop fronts
- Single modules can be used as entrance features or waiting shelters
- Consists of an architectural grade PVC coated polyester canopy fitted under tension to a powder coated steel frame
- Steel work available in 8 colours as standard with further options available on request; canopies available in 8 colours - please specify when ordering
- Must be installed by specialist tensile fabric structure installers - prices available on application

Steel Work & Canopy Colour Options

*Note - Cream is only available on 4m and 5m structures
